## EXPERIENCE

### HEAD OF BRAND

#### Marble Law / Themis Tech | B2C Mobile App | Mar 2021- present

- Led a rebrand with a reputable agency, defining messaging and industry positioning as well as creating a rollout strategy for touchpoint update and culture alignment.
- Establish strategies for lifecycle marketing, social, content, and website based on new brand direction and consumer insights.
- Conduct consumer research for persona building and brand measurement, both internal audience and external market.
- Built and managing a team of marketers to bring brand, social, PR, content and creative strategies to life.
- Led a rebrand for employer brand positioning including outlining value propositions and building an employee retention strategy.
- Monitor product distribution and consumer reactions, work with the product and growth teams to devise innovative strategies for acquisition, retention, and positive sentiment.

### BRAND MARKETING MANAGER

#### Lose It! | B2B/B2C Mobile App | Apr 2018- Feb 2021

- Conducted an audit of our brand positioning including qualitative and quantitative analysis of competitors, consumer insights makes and product placement, resulting in leadership of a rebrand.
- Led creative projects for on-brand asset creation with new brand rollout including photo and video shoots, website UX, campaign messaging, blog content and more.
- Identified areas of opportunity and build strategies for content distribution, CSR campaigns, ambassador and referral programs, community engagement, social and more.
- Researched and implement tools to measure brand marketing success, including emotional and operational metrics.
- Vetted and hired all marketing agencies, freelance writers and contractors through RFP's and managed relationships.

### ACCOUNT DIRECTOR

#### TMP Worldwide Agency | June 2015- Apr 2018

- Managed relationships with executive level clients at fortune 500 and 1000 companies across a variety of industries.
- Managed projects with internal teams such as rebranding and brand management, creative concepting and implementation, media planning (growth and brand awareness) content marketing strategies, website design, project launch and more.
- Managed a team of Account Executives, training and educating as we built strategies for our clients.
- Introduced and evangelized for our digital marketing products to clients including search, social and mobile innovation.
